JAZZ BURLESQUE

Come join in this fun new dance workout! In this class you will learn basic jazz and hip hop inspired burlesque moves, and build up to burlesque choreography. We will learn how to incorporate props like chairs, and get everyone moving in fun, easy ways that rival Cher and are reminiscent of classic Burlesque stars! Jazz burlesque is a fun dance workout for everyone.

About Chloe

Chloe is a dancer, aerialist, and contortionist. She has trained extensively at SF Circus Center, and her credits include HBO shows and fashion week events. She currently teaches pole acrobatics, hip hop, and jazz burlesque, and loves many different types of movement! She hopes to make dance fun and accessible to everyone through her classes.
